The Bronc

This is our school as it appeared over 30 years ago, sitting alone on the Kansas wind-swept prairie.

This school building was built in 1931 at a cost of \$100,000.00. Many changes and renovations have kept the facilities modern. A new gym and vocational agricultural building have been added to the campus.

Hugh Cowan has been our principal for four years. He holds a masters degree in education. Cyril, director of the board, is division engineer for the Colorado Interstate Gas Co. Burris Miles is a farmer and is clerk of the board. Clyde Beymer, Jr. operates a real estate firm. He is treasurer of the board.

34 Students Qualify For State Music Contest—

Lakin High Musicians Rate High at District

Lakin high school musicians braved the inclement weather Saturday to bring home 13 I ratings from the district music contest at Dodge City. Two of the ratings were earned in Friday's entries when the band, chorus and glee clubs contested. Events at the contest are rated I, II, III, IV, or V. Lakin's complete score for this year was 13 I's, 16 II's, 15 III's, I IV, and no V's.

The first event to claim a I on Friday was the mixed chorus which took one of only three given to class A schools. Both the boy's and girls' glee clubs came up one notch this year to get ratings of II. The mixed chorus's I was the first for Lakin in four years.
